

**Great Lakes Naval
Training Center**
Camp Porter

Great Lakes, Illinois

The Hill Group is installing all the plumbing, including site underground for the large Camp Porter project. Included are five new buildings and a 264,000 square foot parking garage. The three story Barracks has over 1,200 fixtures, while the Special Recruit Barracks has over 1,000 fixtures. Additionally, the SAMT Building, the Visitors Center and the Gate House has over 100 fixtures.
